

**FREE INSURANCE FOR HIRE SCOOTERS and
WHEELCHAIRS (Manual or Powered)**

When you hire any Scooter or Wheelchair (powered or Manual) from Adapt-ABILITY, you are automatically covered by our insurance for the following:

THEFT

You will not have to reimburse us for the cost of the hired item if it is stolen or damaged within Great Britain, Northern Ireland, Isle of Man, the Channel Islands or the Republic of Ireland (subject to an excess of £250).

PUBLIC LIABILITY

If you are involved in any accident involving the hired item which is a result of faulty equipment supplied by us, our insurance covers the equipment, yourself, your carer and any other third party involved in the accident.

EXCLUSIONS

We are not permitted to cover you for the following, so we advise you to take out your own insurance to cover such eventualities - many household insurance policies will allow you to add this cover at a modest cost.

THEFT ABROAD

Unfortunately, we cannot normally cover you for theft in any country other than those specified above, unless arranged by prior agreement. If you are taking our equipment abroad, please let us know and we will try to add the necessary cover to our policy if at all possible.

PUBLIC LIABILITY

We cannot provide cover for accidents involving negligence by yourself or a carer where our equipment is not faulty. If you or your carer caused a motor accident, for example, by careless use of your scooter or wheelchair, you may be liable to pay compensation for damage or injury to third parties.
